## *Foreword*

While having had many memorable experiences in the old high school building, we, the Class of 1962, look to the new Bangor Area Joint Senior High School with greatest pride. We realize that it is not the building, but the students, faculty, and administration that make our school notable. The new school has renewed a great interest in our activities and has offered new opportunities to the coming students.

We, the Class of 1962, set forth our yearbook as a final reminder of our joyous experiences at B.A.J.H.S.

### *Dedication*

Dr. Anson M. Hamm, who has retired from the teaching staff of Bangor Area Joint High School, will long be remembered as an outstanding teacher and administrator. Dr. Hamm was graduated from Penn State University, where he majored in mathematics and received his degree of Doctor of Education. He also attended Temple University and the University of Pennsylvania.

Before coming to Bangor, he served as head of the mathematics department in Bensalem Township; as supervising principal of Fairfield, Warriors Mark, and Boswell; and as principal of Freemansburg Elementary School. Dr. Hamm also taught mathematics during the summer months at Gettysburg College and at Frostburg State Teachers College in Maryland. Active in PSEA work, he served as the president of that organization in Bucks County.

In Bangor High School Dr. Hamm taught mathematics and science. He also served as advisor to the Future Teachers.

It is to Dr. Anson Hamm, who has given himself to the service of youth, that we dedicate the 1962 GRADUATE.

JAMES MONGFORD LANG

On March 31, 1961, James Mongford Lang, age 17, died. Although he left us at an early age, he will long be remembered in the hearts of the Class of 1962. Jimmy, whose friendly personality endeared him to all, was an active member of many organizations, including church affairs and hunting and fishing activities. Through these organizations, Jimmy has left something of himself behind.

We, the Class of 1962, will remember always our classmate, Jimmy Lang.

"Blessed are the dead who die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labors."

Revelation 14:13

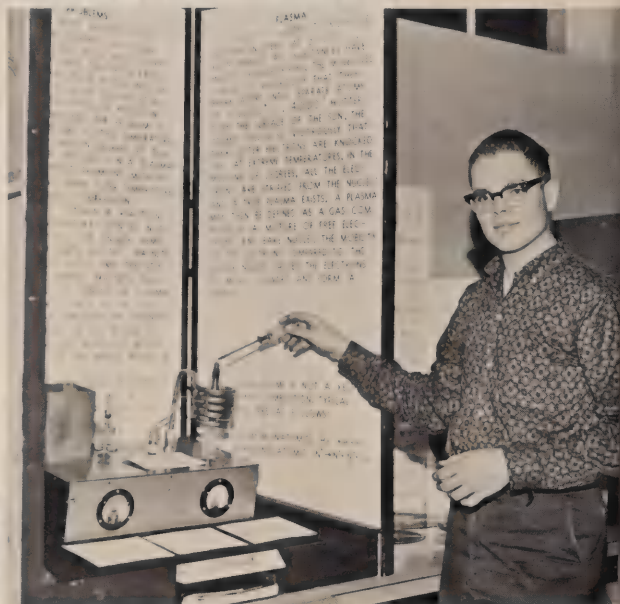

"Silent night, Holy night. . ."

What's this, a non-conformist?

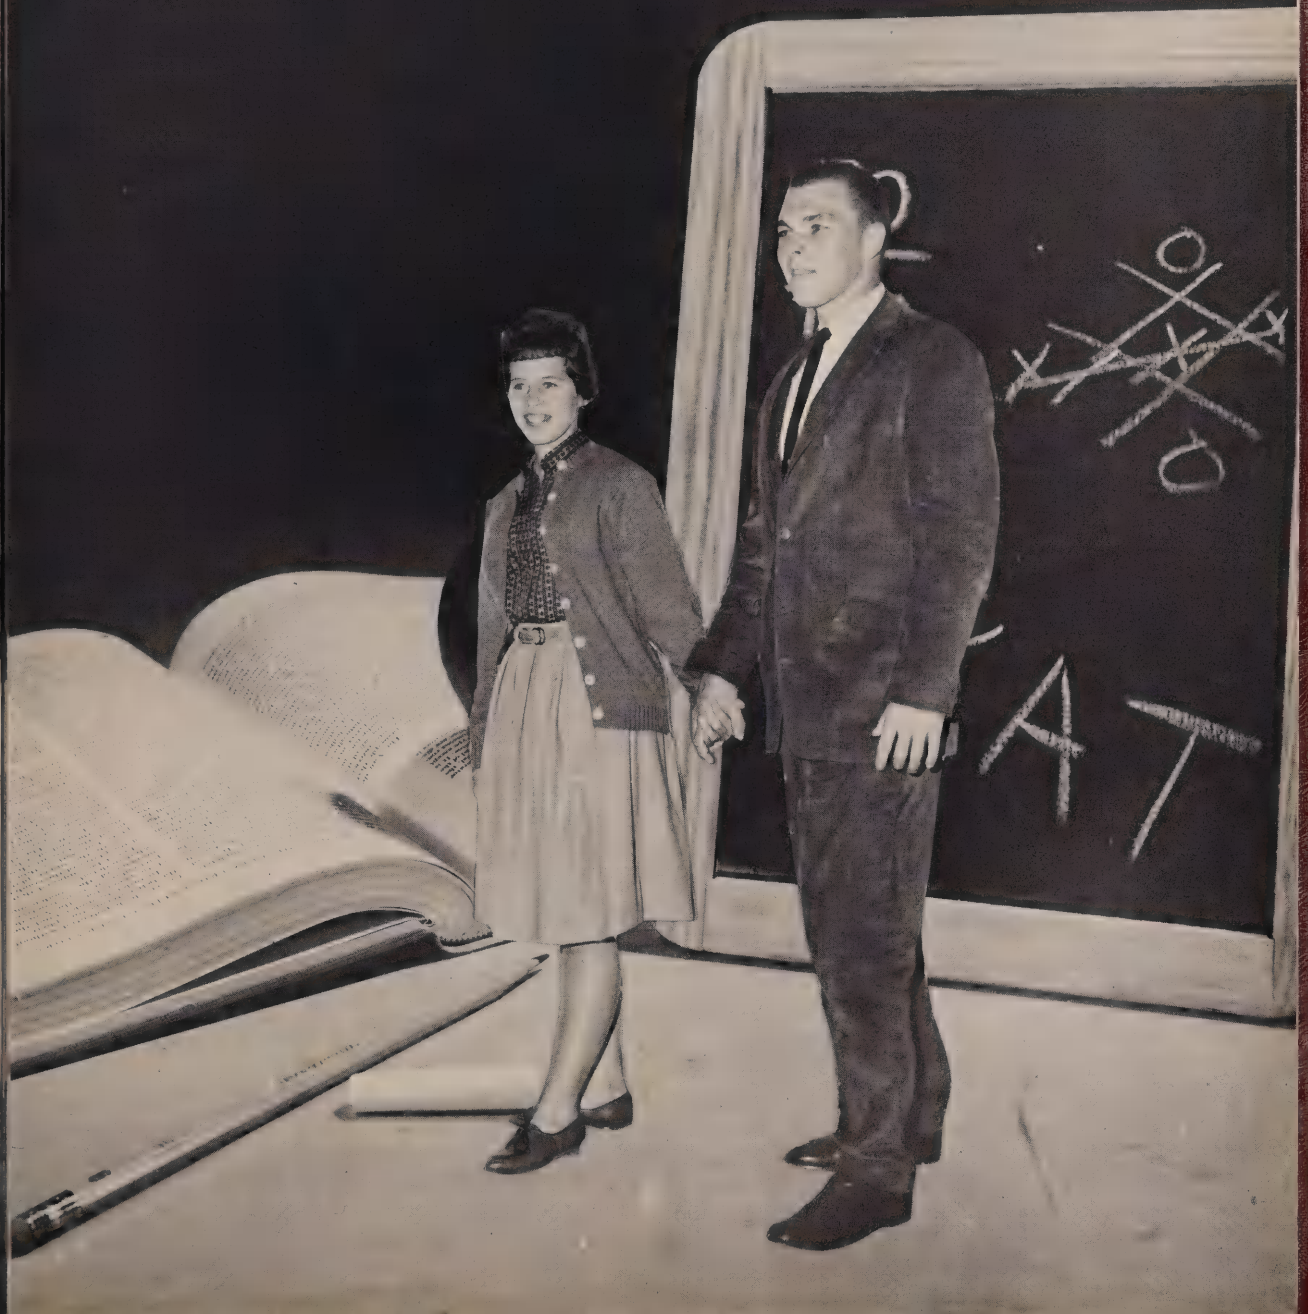

Congratulations, Jim! Third time Science Fair grand champ.

Congratulations to Dr. Williams for his F. F. A. Award.

Science students toured Baker Chemical Company.

We got our yearbooks before our report cards!

Bangor Tri-Hi-Y represented Albania at the Model U. N. in Harrisburg.

The German Club made a big splash at Policelli's.

Commencement speaker.

A black and white photograph showing a large, dense crowd of people, mostly young men and women, seated in bleachers. They are all looking towards the front of the arena, presumably towards the stage.

"Pomp and Circumstance".

A black and white photograph of two men in dark academic robes walking across a stage. They are moving from left to right. In the background, rows of empty bleachers are visible.

The class officers take their places.

A black and white photograph of a row of graduates in dark academic regalia, including caps and gowns. They are seated at a long table, looking forward.

"Let's get those diplomas."

A black and white photograph of a large group of graduates in academic regalia standing on a stage. They are all facing forward, and many have their arms raised, turning their tassels.

Turning the tassels.
